

4/4

A NIMBLE AND AGILE DRIVERS' CAR

The combination of lightweight and skinny tyres make for a perfect entry level sports car whilst it's affordable price make it the ideal introduction into the Morgan world.

Having been in production since 1936, the 4/4 is the longest running production vehicle in the world and has built up iconic status during that time. With a combined figure of 44mpg (6.41/100), the 4/4 promises maximum fun with minimal impact on the environment. A combination of Superformed and hand formed aluminium body panels help to make the 4/4 the lightest car in the Morgan classic range, weighing just 795kg.
